Dear Mr. Aljazzar,

The Department of Transportation (Caltrans) received a letter dated July 28, 2016, from Spectrum Construction Group, Inc. (Spectrum), protesting the bids submitted by Beador Construction Company, Inc. (Beador) and Vance Corporation (Vance). The protest alleges that Beador failed to achieve the 10 percent Disadvantaged Business Enterprise (DBE) Commitment goal due to a miscalculation of LMS Transport's participation for Oil Supply and failed to provide any Good Faith Effort documentation. The protest also alleges that Vance failed to submit a DBE form signed by an authorized company official and the amounts listed do not match the percentages listed on the Subcontractor's List form.

With regards to Beador and Vance, Caltrans did not review this protest since Beador and Vance are no longer eligible for the award of this project.

Based on the above, Caltrans will proceed to award this contract to the lowest responsive and responsible bidder provided that all requirements have been met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Manager, at (916) 227-6228.

Sincerely,
